Dear Sharon:

This letter is being written in support of
Innarmotion, Inc.

As a visual artist and playwright I have personally experienced the powerful impact of Innarmotion performances. During the last 11 years through our continued interaction, I have grown to support Innarmotion in every way. Your artistic capabilities have continually matured and I encourage your efforts to expand as an interdisciplinary artistic company. The blending of my work with yours has created a stronger message and continues to reach a more diverse audience.

I welcome you to New York when the time is right.

Sincerely,

Ariel Orr Jordan
